AMENDMENT AND RESPONSE

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

In response to the Office Action dated February 13, 2003, please amend the
above application as follows:

IN THE CLAIMS

Please enter the following amended claims:

12. (Twice Amended) A structured particulate system comprising at least one active, organic solid food additive incorporated in a matrix which forms a network completely incorporating said active, organic solid food additive in a weight ratio of 1:99 of said solid additive to 99:1 of said matrix, the mean weight diameter of the particles of said structured system ranging from 25 to 1500 microns and the system displaying a loose bulk density of 0.1 to 1.1 Kg/l.
